Damian Renzello is a scam artist of all scam artists. He plays like he is really nice and helpful but then just TAKES your money and time and gives you NOTHING!

I knew something was up when he called us back and spent hours talking to our 10 year old daughter on the phone!

Then I found out Renzello is a CONVICTED Pedophile! YIKES! We called the police right away, unfortunately the cops in Vermont are kinda backwards and although they know Renzello has stolen from people here in his own backyard but also across the Nation and the Globe there is not much the cops can do, worse they have many investigations into Renzello for all sorts of weird things.

Renzello has been convicted of sexual assaults, PEDOPHILIA charges, under investigation for lewd and lacious conduct with a MINOR! Sodomy on a minor, indecent exposure! This guy and his boyfriend or whatever you call those transgendered transsexuals some dude named Craig, or now Michelle of something were arrested for public indecent exposure in front of a child!

This guy was hitting on our 10 year old! This guy is nuts. [continued below]....

#### Report Attachments:

..... We said we did not want anything to do with him and then he said he was NOT going to refund our money!

WATCH OUT for this Psycho! Lets pray the police in the back woods of Vermont actually want to get these pedophiles off the street! Then again we have seen many cases in Vermont where convicted pedophiles go right back on the street in just months! YIKES!

## Dealing with a Sociopath

AUTHOR: Truthteller - (United States of America)

SUBMITTED: Thursday, March 22, 2012

Mike Nelson is obviously a sociopath. He has been arrested numerous times by the VT police. He also ripped off a nationally known VT country store, whom won in a court of law. If you check out Mr. Nelsons criminal, he also is not the intellect that he states he is. He fuels himself with the money he scams from others and the false lies he posts online. He is a true sociopath in its form. Have you checked out his website???? LMAO. Where he states hes here for the world. Yet he has no contact information. Not only that, regarding this ice skating rink posting he claims, notice how he first talks about saying the company is a rip off, then puts a child potentially being molested 2nd??? Thats odd. I know for sure if I thought a child molster was talking to my daughter of hours on the phone, my posting would first start off with that, and not start off talking about someone being a rip off. If you read his entire false posting, you can read hes lying.... If your child was being molested or talking on the phone to a child molester, dont you think you would 1st post that???? No, this warped idiot posts that a reputable business inventor from Vermont, rips people off. The only person that rips people off is Michael Nelson. Thats how for so many years he has gotten away with shit, due to having money that he scammed from others, he uses his money he scammed as power to get what he wants. Hes nothing but a peon. Even the univerisity he claimed to have earned a degree banned him from campus for threatening faculty and students??? Ah, you might want to do a google search on Michael Nelson. And from what I can see, he also got arrest, not that long ago for drunk and disorderly conduct. He, Michael Nelson is a sociopath and a scam artist. A person of high intellect, would never post something so backward as he did. Come on, if my kid was talking to a child molester for 5 hours on the phone, you really think I'd let the conversation go on for 5 hours #1, and #2, if I posted something about someone, you bet your butt the 1st thing I'd mention is the child molestation, not "some guy who makes ice skating rings takes your money and runs". NO, the only person that takes your money, runs, and makes up lies is Michael Nelson, whom I am sure is far from scholarly. And also, LMAO, if you look at Mr. Nelsons website he proclaims to help the world, yet there are all pictures of him fishing in the ocean, some self centered sociopath, I say! By the way, this is from Damien Renzellos high schook class mate who has not seen him since 1988. And I can assure you, hes the victim in this situation, If Michael Nelson was such a scholarly world savior, he wouldnt be waisting time making up false rumors, and slandering people, oh, and not getting tossed out of a prestigious university., Soon your scammed money you have in your hands will run out Mr. Nelson, and when it does, there are so many of us honest intelligent and scholarly (proof with college diplomas and even our college transcripts), lol, we are going to laugh our butts of at you, you complete idiot! Have a great evening. I am sure I pissed you off and you are red as a beet in the face, oh wait that must be from the booze you drink and keep getting arrested for drunk and disorderly conduct. LMAO! Only a true sociopath would get a cord struck within them by my post, and I am 100000% I got right to your nerve cord!

## This is a Bogus Report

AUTHOR: Jeff - (United States of America)

SUBMITTED: Tuesday, January 25, 2011

The author of this report is Mike Nelson, he has done this same thing to a judge in Vermont, he has been sued several times because of this. The statements about Damian are totally false I know him personally that is definatly not his picture. He has never come under investigation with the Attorney general of the state of Vermont. These things are very easy to look up, we have a sex registry and he is not listed and like i stated before that is not even a picture of him. Now onto the author of this article he knows this is complete bull EVERY bit of it, this Mike Nelson is not allowed in Montpelier Superior Court or Norwich University, he has been sued before and had a court order not to post these things, so Mike moved out of Vermont and continues writing these bogus claims against people that he feels in his mind have "done him wrong" to include the Vermont judge that presided over his case in which he did not rule in his favor.
